New Customer Administrator Name and Contact Information ("New Customer Administrator"):

CUSTOMER hereby requests that Techdinamics change the Customer personnel serving as Customer Administrator from Former Customer Administrator to New Customer Administrator (the "**Request**") on the following terms and conditions:

1. Customer represents, warrants, covenants and guarantees to Techdinamics that: (a) the individual making the Request to change Customer Administrator on behalf of Customer has the requisite authority to make such request on behalf of Customer and to bind Customer; (b) New Customer Administrator is an Authorized User and personnel of Customer having the necessary access, right and authority with Customer to serve as Customer Administrator; (c) New Customer Administrator is aware of the terms and conditions of the Agreement and shall comply with the Agreement and any specified control and security procedures mandated by Techdinamics from time to time, including the obligation to administer the distribution and use of all Services in accordance with the Agreement and to protect against any unauthorized access to and use of the Services; and (d) Customer is compliance with the terms and conditions under the Agreement, including its payment obligations under the Agreement.

2. Customer understands and agrees that Techdinamics may perform its own security processes and procedures in order to process the Request.

3. Techdinamics reserves the right, in its sole and absolute discretion, to reject the Request if Techdinamics is not satisfied that the Request satisfies its security processes and procedures or if Techdinamics determines the Request contains an untrue or false statement by Customer, all without any liability on the part of Techdinamics.

4. If Customer is in breach of any representations, warranties, covenants, guarantees and/or agreements in the Request, Techdinamics reserves all of its rights under the Agreement and at law, including, without limitation, the right of Techdinamics to suspend the Services, to revoke the authorization of New Customer Administrator and/or terminate the Services and the Agreement.

5. Customer shall and does hereby indemnify, defend and hold harmless Techdinamics from and against any and all Losses suffered or incurred by Techdinamics, directly or indirectly, in connection with any breach of Customer's representations, warranties, covenants, or obligations under the Request.

6. Capitalized terms used but not defined herein have the meanings given to them in Techdinamics' Terms of Service – General Terms and Conditions which is available here: https://techdinamics.com/terms-of-service/ (the "**Terms of Service**"). The Request constitutes a Transaction Document under the Terms of Service.
